

# A MILLENNIAL COMMUNIQUÉ - OPPORTUNITY

From *Prophecy Today* by Norma Anne Holik

From the Church Administration Headquarters in Jerusalem and Independence. As it may be presented to the mortal members of the Millennium Church Universal. The subject of this communiqué: OPPORTUNITY

Be it known to all members of the Millennium Church Universal that our major task is building a New World of people in our new universal nation, the Kingdom of Christ. Time for accomplishing this great work is limited; therefore, the administration is calling for the combined, consecrated abilities of you, the membership, to assist in every way possible. Every good gift God has bestowed upon each of you is needed in the work of the Millennium Church Universal. The church needs speakers, writers, musicians, assistants, organizers, campaigners, pastors, teachers, counselors, and anyone who can show in his daily life an example of love and devotion to the higher good.

It is the obligation of each of us to discover his own talents, and to find joy in consecrating them to service of God and your fellow mortals. In this way you may contribute to the work of the Church and thus to the Kingdom of Christ. **May we emphasize: The Church needs YOU, your efforts and your talents. The best that every one of you can give is needed...The entire membership of the church are urged to share in the multiple millennial projects of transformation. Give all you have. You will find the benefits beyond anything you can imagine.**

Signed, The Immortal Administrators- "The Megiddo Message"

In January's flash card the Lord told us to get out of Babylon. I wondered how we begin to do that. Then I came across this message sent out from Jerusalem in 1977 to the church. I believe this is where we begin. We start by refocusing our lives in service to God. We make the coming of His Kingdom our priority. We dedicate ourselves and our talents anew to His cause, setting aside the things of the world and truly giving all we have to the cause of His Kingdom. Fred M. Smith once said: "When it was declared, 'and the gospel of the kingdom shall be preached in all the world for a witness unto all nations,' a task was set for the church, and on each member is imposed the responsibility of participation in the work of raising before the people of the earth, an ensign, which shall be to them a testimony and a witness." (Flash Card # 16) If we will realign our lives with Christ, we will come out of Babylon and God's Kingdom will spring forth. Are you ready to take the challenge to recommit yourselves? – Pat Chadwick
