

## **Come Out of Modern Israel – Part 2**

Sermon by Ammon White, Given at Gudgell Park-April 1941

Study my law instead of the literature of the world. You idle your time away reading magazines, fiction, which study leads you nowhere. **But in those things, I have given you as the God of Heaven, saith the Lord today, I have planted the words of life, truth... vital forces which will make you alive in the Spirit of God, as you know it not.**

Men whom I have entrusted with the sacred responsibility of leading my people, oft times have had their powers sidetracked into things not of my choosing...both they and the people have stumbled time and again, and today my work is almost at a standstill so far as progress is concerned.

I will wait no longer. I will come out of my hiding place. I will shake the things that have no foundation and they shall stumble and fall. I will choose men and women strong and faithful, and who will study, and though few in number they shall know that I am God and able to succor. **I will lead them by my unfailing hand for the accomplishment of my purpose, saith the Lord, for my arm is outstretched over you, for I am waiting the day I may send my Son to you in the Temple.**

Then great things will take place. **The world will be warned for the last time, then the sons of Levi will I send forth with mighty power to bind up the law and seal up the testimony for the last time. Those entrusted with this responsibility will be girded with instruments of my power, and many will return with many sheaves.**
