

# BECOME THE POINT OF MY SPEAR

Message Give by Don Cutshall to the Women of Oak Grove 2015

Don Cutshall: I was waiting for my wife, sitting in the car and there lay this devotional for this last month, for the women of the congregation. It was laying in the car seat. I picked it up and began to read it. As I began to read it the car that I was sitting in, you could feel the pressure, and the more I read the more pressure, and as I read it, I felt the car was going to explode with the Spirit of God. And He placed these words in my mind and in my heart and this is what He said to tell these women who are involved in this devotional: **"I love you. And I am pleased with you and My hand is on your shoulder and if you continue to hear My voice you will become the point of my spear, and I will use you in ways you know not of – so, thrust in your sickle and reap, and work all the days of your life, and I will be with you and I will counsel you. Even so, Amen"**

Pat Chadwick: Now out of these devotionals came the material we used for the first session, of the live stream classes, for the women of the church. The materials were in part based on the Patriarch's Pamphlet. This spring, of 2024, while preparing my class, for the current live stream women's classes, I re-read this message given in 2015 and the Spirit of the Lord swept over me. I knew that it was not just for the women at Oak Grove who worked on the devotionals but for the women of the church, the daughters of Zion. Women, who will study, pray and fast and serve God and their fellowman.

If we, the women of the church will rise up and set ourselves and our homes in order through prayer, fasting, and study of the scriptures **we will become the "Point of His Spear"**. We are called to do a great work. Zion starts in our hearts and homes then goes forward in service to our congregation, the community and the world. God designed us and placed us in this day and time to be the "Point of His Spear".

The **"Point of His Spear"** is a military term meaning the most direct and lethal part of an attack. It means the leading edge, the point of contact in a military operation; it's the soldiers who first enter the battle area. It is the forefront, the spearhead, **"God's Weapon"**. Daughters of Zion let us rise up and become the **"Point of His Spear"**.

*Behold, the field is white already to  
harvest, therefore whoso desireth to  
reap, let him thrust in his sickle with his  
might, and reap while the day lasts,  
that he may treasure up for his soul  
everlasting salvation in the  
kingdom of God;  
yea, whosoever will thrust in his sickle  
and reap, the same is called of God.  
therefore, if you will ask of me you  
shall receive, if you will knock it  
shall be opened unto you.
